The Symphonic Wind Ensemble is a group of 50 of the university's most qualified musicians, directed by Dr. Angela Schroeder. The Wind Ensemble performs the most serious and challenging wind band music available. With essentially one player to a part, the repertoire is largely music that was originally conceived for the wind band. Recognized in national festivals and internationally, the Wind Ensemble performs four concerts a year and several performances away from the campus and for special events. Most recently the Wind Ensemble were invited performers for the College Band Directors National Association Conference in Reno, NV. In addition, they hold an annual Concerto Competition, offering students the opportunity to perform a solo concerto with the Wind Ensemble. The Wind Ensemble also hosts the Alberta High School Honour Band each spring, inviting students from across the province to come to campus to work with members of the Wind Ensemble as well as our applied instrumental faculty.
